Letter to Participants

June 1, 2018

Dear Agriculture Teachers and Students:

On behalf of the Davis College of Agriculture, Natural Resources and Design, we in Agricultural and Extension Education commend you for your participation in the **95th Annual Agriculture Career Development Events**. Your presence helped to make the event a success and we trust that your experiences were enjoyable and educational.

Only through the cooperative efforts of many people were the contests possible. Special thanks are due to the following: West Virginia Agriculture teachers, students and guests for their attendance and participation in various events; Dean Daniel Robison, Associate Dean Todd Petty, Associate Dean Jason Hubbard, Associate Dean Matthew Wilson, Dr. Robert Taylor, Dr. Matthew Jenks, Dr. Robert Burns, Dr. Gerard D'Souza, and Professor Peter Butler, administrators in the Davis College of Agriculture, Natural Resources and Design; faculty and students in Schools of Agriculture and Food, Design and Community Development, and Natural Resources who prepared and conducted the contests; Physical Plant personnel; the communications media at WVU and in the Morgantown area; County and State Cooperative Extension Service personnel; Office of University Relations; Agricultural and Extension Education majors who assisted in many ways; Jason Hughes, Coordinator Agricultural Education; Nathan Taylor, State Coordinator Agricultural Education; and organizations and individuals who provided plaques and certificates.

A word of explanation about the results publication. Effective with the 2017 year, five events were moved to a fall timeline. These five events include Floriculture, Forestry, Livestock Evaluation, Meats Evaluation, and Poultry Evaluation. Therefore the Sweepstakes Award (and this publication) remained with a fiscal year format (July 1 – June 30).

Team and individual scores have been compiled for each contest area. We hope that you find this information useful. We look forward to your participation in the West Virginia FFA Career Development Events in future years.

Sincerely,

Agricultural and Extension Education Faculty:

Harry N. Boone, Jr.

Deborah A. Boone

Jessica M. Blythe

Stacy A. Gartin

Kerry S. Odell

Jason McKibben
