

West Virginia FFA Members Open Their Hands and Hearts at the 2018 Fall Leadership Conference

Over 600 WV FFA members from 30 FFA chapters gathered at Cedar Lakes September 26-28, 2018 to gain valuable leadership skills at the annual Fall Leadership Conference conducted by the WV FFA Officers. The theme of the conference was “Open Hands – Open Hearts” and from the very beginning of the conference, members were challenged to let the meaning of the theme inspire them as individuals and as chapters. FFA members attended leadership workshops conducted by the state officers and were inspired by motivational speaker, Harriett Turk. The conference wrapped up with members from each chapter discussing how together they could make their chapter and community stronger.
