

2018 State Fair of West Virginia a Huge Success for FFA Members

FFA members from 13 different chapters had exhibits or gave demonstrations in the Underwood Youth Building during the State Fair of WV held in Fairlea, WV August 9-18, 2018. The Fayette Plateau chapter had the first place Educational Exhibit and received the Overall Agricultural Mechanics Award.

Students from Greenbrier West, Greenbrier East, Lewis County and Fayette Institute of Technology gave demonstrations connected to their various simulated workplaces. The demonstrations were very informative and enjoyed by the fairgoers.

Other chapters involved were: Braxton County, Cameron, Mineral County, Pocahontas County, Ravenswood, Roane County, Shady Spring, Surveyor and Wirt County.
