

WV FFA Association Named Hunger Hero

The WV FFA Association was recently named a “Hunger Hero” at the Mountaineer Food Bank Hunger Summit held in Flatwoods, WV. State FFA President, Nick Plaughner and Northcentral Vice President, Johnathan Slattman, were present to receive this honor.

The WV FFA has collaborated with the Mountaineer Food Bank for the past three years in feeding the hungry of our great state. In the past three years, WV FFA has raised almost \$30,000 to purchase food for the back pack program.
